

A METHOD FOR THE LONG-TERM PRESERVATION OF MEAT  
AND THE MEAT PROCESSED THEREBY

ABSTRACT OF THE DISCLOSURE

5

A method for preserving meat and the meat  
processed thereby is disclosed. The method  
includes the steps of exposing raw meat to an  
atmosphere consisting essentially of carbon  
10 monoxide and maintaining the meat in a sealed  
container to maintain color and freshness while  
retarding bacterial growth.
